All The Right Type 3 Plus
Quick Start Guide
Home Edition

Installing All The Right Type 3 Plus is very easy. To prepare, close any programs that are running on your computer.

INSTRUCTIONS

1. **Insert** the All The Right Type 3 Plus CD-ROM into the CD-ROM drive of your computer. The Setup program should start automatically, but if it doesn't:
   Windows users
   i. Click 'Start', and then click 'Run'
   ii. Type 'd:\setup.exe' (where 'd:' represents the CD-ROM drive)
   Macintosh users
   i. Double-click the All The Right Type CD-ROM icon on the desktop
   ii. Double-click the Setup program icon that matches the computer's operating system
   ('Setup' for OS 8.6/9.x; 'Setup.OSX' for OS X)
2. **Enter your Activation Code.** You will find the code, which begins with ATRT, printed on a sticker inside the All The Right Type CD-ROM case. **Click 'Next'.**
3. **Read** the terms of the Software License Agreement. **Click 'Yes'** to accept the terms of the Agreement and proceed with installation, **or click 'No'** to decline the terms of the Agreement and stop installation.
4. **Read** the on-screen information about your three registration options. **Click 'Next'.**
5. **Select a Registration Method** at the top of the screen. *'E-mail'* will send your completed registration form over the Internet. *'Print for fax'* will print your completed form for you to fax or mail to Ingenuity Works. *'Later'* will allow you to skip the registration. **Then complete the form** (red fields are the minimum required). **Click 'Next'.**
6. **Specify the Destination Folder.** This is the location on your computer's hard disk where you want the program placed. We recommend you accept the default suggested by Setup. But if you use the Browse button, you can browse to any location on your computer and select the desired folder. **Click 'Next'.**
7. **Specify** whether you wish Setup to place icons (shortcuts/aliases) for All The Right Type in your Program Folder (Start Menu on Windows; Apple Menu on Mac Classic) and/or on your desktop. **Click 'Next.'**
8. **Confirm Current Settings** in the scrolling window. **Click 'Install'** to install the program on the computer, **or click 'Back'** to go back through the previous screens and adjust your selections.

Installation now begins. The process can take a few minutes. Once installation is complete, your program is ready to run. An users manual is available as a pdf in the program folder. If you have any problems installing the program please go to www.ingenuityworks.com click on the support tab for FAQ's or e-mail support@ingenuityworks.com
